Indian actor who primarily works in Tamil, Telugu, and Hindi language films af0b0126d4

The TeachAids software for HIV education, their first area of focus, has been cited as a model health intervention. Since the materials bypass issues of stigma, they allow HIV prevention education to be provided to communities where it has previously not been allowed. In other communities, the tutorials provide the highest learning effects and comfort rates of any tested educational approach. Their HIV products are animated, interactive software tutorials, developed for individual cultures and languages, and incorporating the voices of celebrities from each region. In... af0b0126d4
