The Cambridge Pre-U was launched in 2008 by Cambridge International Examinations in order to create a qualification which would offer additional depth in subjects beyond the standard A-Level syllabus. A number of independent, grammar and comprehensive schools and sixth-form colleges replaced A-Levels with Cambridge Pre-U's in some subjects. Over 120 schools offered Cambridge Pre-U in at least one subject and with some schools switching completely to offering solely the Pre-U. 66f0d20874 Edexcel regulates school examinations under the British Curriculum and offers qualifications for schools on the international and regional scale. Students generally study for A-levels over a two-year period. For much of their history, A-levels have been examined by written exams taken at the end of these two years. A more modular approach to examination became common in many subjects starting in the late 1980s, and standard for September 2000 and later cohorts, with students taking their subjects to the half-credit "AS" level after one year and proceeding to full A-level the next year (sometimes in fewer subjects).
