A field goal is normally 17 or 18 yards (7 or 8 yards in Canadian football) longer than the distance of the line of scrimmage to the goal line, as it includes the end zone (10 yards) and 7 or 8 yards to where the holder places the ball. In Canadian football, the goal posts are on the goal lines, in front of the end zones. Therefore, if the line of scrimmage is at the 30, the field goal would be 47 or 48 yards (in American football) or 37 or 38 yards (in Canadian football). Each team has a different field goal range, depending on the preferences and performance of its kicker; professional teams with highly elite kickers may consider themselves to be in field... 2549e663a0
