Crossway says that the ESV continues a legacy of precision and faithfulness in translating the original text into English. It describes the ESV as a translation that adheres to an "essentially literal" translation philosophy, taking into account "differences in grammar, syntax, and idiom between current literary English and the original languages." It also describes the ESV as a translation that "emphasizes 'word-for-word' accuracy, literary excellence, and depth of meaning." As a form of transcription, direct or quoted speech is spoken or written text that reports speech or...
