Drawing up a comprehensive list of words in English is important as a
reference when learning a language as it will show the equivalent words you
need to learn in the other language to achieve fluency. A big list will
constantly show you what words you don't know and what you need to work
on and is useful for testing yourself. You can use the list to generate your
own lists in whatever language you're learning and to test yourself.

Eventually these words will all be translated into big lists in many different languages and using the words in phrase contexts as a resource 580f53a031
