The most popular theory asserts that migrants came to the Americas via Beringia, the land mass now covered by the ocean waters of the Bering Strait. Small lithic stage peoples followed megafauna like bison, mammoth (now extinct), and caribou, thus gaining the modern nickname "big-game hunters." Groups of people may also have traveled into North America on... 1dc65ee078 It was a time of rapid economic growth, especially in the Northern and Western United States. As American wages grew much higher than those in Europe, especially for skilled workers, and industrialization demanded an increasingly skilled labor force, the period saw an influx of millions of European immigrants. The rapid expansion of industrialization led to real wage growth of 40% from 1860 to 1890 and... 1dc65ee078
