Spanish American wars of independence If defined strictly in terms of military campaigns, the time. The struggles in both hemispheres began shortly after the outbreak of the Peninsular War, forming part of the broader context of the Napoleonic Wars. These struggles ultimately led to the independence and secession of continental Spanish America from metropolitan rule, which, beyond this conflict, resulted in a process of Balkanization in Hispanic America. The Spanish American wars of independence (Spanish: Guerras de independencia hispanoamericanas) took place across the Spanish Empire during the early 19th century. The conflict unfolded between the royalists, those who favoured a unitary monarchy, and the patriots, those who promoted either autonomous constitutional monarchies or republics, separated from Spain and from each other
