It was formed in 1907 and was active in both nursing and intelligence work during the World Wars a650f00697

Erna Flegel February 2006) was a German nurse. In late April 1945 she worked at the emergency casualty station at the Reich Chancellery in Berlin, and was one of the final occupants of the Führerbunker before she was captured by the Red Army on 2 May 1945. In late April 1945 she worked at the emergency casualty station at the Reich Chancellery in Berlin, and was one of the Erna Flegel (11 July 1911 - 16 February 2006) was a German nurse a650f00697

While its members wear British military-style uniforms and ranks, as well as having a close affiliation to the British Army, it is not part of the Regular Army, or Army Reserve, nor is it part of any branch of the Armed Forces; its members are designated as civilians. Their officers do not train at Sandhurst nor do they hold the King's commission. Its members are unpaid volunteers who pay membership fees to the charity to take part in... a650f00697 After growing up in Ohio and New York, Wald became a nurse. She briefly attended medical school and began to teach community health classes. After founding the Henry Street Settlement, she became an activist for the rights of women and minorities. She campaigned for suffrage and advocated racial integration. She was involved in the founding of the National Association for the Advancement of Colored People (NAACP). a650f00697

Federal Emergency Management Agency The agency's primary purpose is to coordinate the response to a disaster that has occurred in the United States and that overwhelms the resources of local and state authorities. The only exception to the state's gubernatorial declaration requirement occurs when an emergency or disaster takes place on federal property or to a federal. The governor of the state in which the disaster occurs must declare a state of emergency and formally request from the president that FEMA and the federal government respond to the disaster. 3 of 1978 and implemented by two Executive Orders on April 1, 1979. The Federal Emergency Management Agency (FEMA) is an agency of the United States Department of Homeland Security (DHS), initially created under President The Federal Emergency Management Agency (FEMA) is an agency of the United States Department of Homeland Security (DHS), initially created under President Jimmy Carter by Presidential Reorganization Plan No a650f00697
