Bach's apparent plan was for a collection of 164 settings of chorale tunes sung during the Church year so that each part of the year was represented. However, only 46 of these were completed. The manuscript, which is now in the Staatsbibliothek, leaves a number of tunes as missing or "ghost" pieces. A project to complete the missing chorales called "The Orgelbüchlein Project" has been launched... The term originated within the airline industry referring to airlines with a lower operating cost structure than their competitors. The term is often applied to any carrier with low ticket prices and limited services regardless of their operating models. Low-cost carriers should not be confused with regional airlines that operate short-haul flights without service, or with full-service airlines offering some reduced fares. The Internet Assigned Numbers Authority (IANA) is responsible for maintaining the official assignments of port numbers for specific uses. However, many unofficial uses of both well-known and registered port numbers occur in practice. Similarly, many of the official assignments refer to protocols that were never or are no longer in common use. This article lists port numbers and their associated protocols that have experienced significant uptake. The Petitioners, Madsen and other abortion protesters (Petitioners) regularly protested the Respondents, the Women's Health Center and other abortion clinics (Respondent), in Melbourne, Florida as well as in front of the homes of clinic employees. The Respondents then sought and were granted, by a Florida trial court, an injunction on several grounds, restraining the Petitioner's ability to protest, which was upheld by the Florida Supreme Court.
