Education Non-formal education also follows a structured approach but occurs outside the formal schooling system, while informal education involves unstructured learning through daily experiences. Oxford University Press. Formal education occurs within a structured institutional

framework, such as public schools, following a curriculum. Retrieved 30 April 2023 Education is the transmission of knowledge and skills and the development of character traits. Formal and non-formal education are categorized into levels, including early childhood education, primary education, secondary education, and tertiary education. Honeybourne, John (2005). Other classifications focus on teaching methods, such as teacher-centered and student-centered education, and on subjects, such as science education, language education, and physical education. G15 Education in England remained closely linked to religious institutions until the nineteenth century, although charity schools and "free grammar schools", which were open to children of any religious beliefs, became more common in the early modern period. Nineteenth century reforms expanded education provision and introduced widespread state-funded schools. By the 1880s education was compulsory for children aged 5 to 10, with the school leaving age progressively raised since then, most recently to 18 in 2015.

The seafront consists largely of Victorian hotels, a pier, theatre, contemporary art gallery and a Napoleonic era fort and military museum. Although Eastbourne is a relatively new town, there is evidence of human occupation in the area from the Stone Age. The town grew as a fashionable tourist resort largely thanks to prominent landowner William Cavendish, later to become the Duke of Devonshire. Cavendish appointed architect Henry...
