

The Choice Embrace The Possible

Middle schooler Wilma Sturtz is alone. Her childhood friends have moved away, and her efforts to make new ones have failed. Wilma's fortunes change when she offers an old lady her seat on the subway. The woman offers to grant Wilma one wish, exactly as Wilma wishes it. Flustered, Wilma wishes to be the most popular person at Claverford, her middle school.

Rational choice model The theory tries to approximate, predict, or mathematically model human behavior by analyzing the behavior of a rational actor facing the same costs and benefits. Rational choice modeling refers to the use of decision theory (the theory of rational choice) as a set of guidelines to help understand economic and social behavior.

Edith Eva Elefánt was born on September 29, 1927, in Košice, Czechoslovakia (present-day Slovakia), as the youngest daughter of Leopold (Lajos) Elefánt (1892–1944) (a tailor) and Helena (Ilona) Klein (1895–1944).

Kim Possible (character) Kimberly Ann Possible is a fictional character from the Disney Channel animated television series *Kim Possible* (2002–2007). She was created by series creator Bob Schooley and Mark McCorkle, and appears in all 87 of the show's episodes. Kim is an ambitious high school student who freelances as a world-renowned crime-fighter, while balancing her personal life, schoolwork, and complications associated with coming of age.

Unlike early feminist campaigns like the Women's Suffrage Movement that focused on basic, fundamental rights of women, lipstick feminism argues that women can be feminists without ignoring their femininity or sexuality.

Ranked-choice voting in the United States Since 2025, it is also used for all elections in the District of Columbia. At the federal and state level, instant-runoff voting is used for congressional and presidential elections in Maine; state, congressional, and presidential general elections in Alaska; and special congressional elections in Hawaii. In the US, the specific system is most often instant-runoff voting (IRV) or single transferable vote (STV), the main difference between the two being whether only one winner or multiple winners are elected. The term refers to the general category of voting systems where voters rank candidates. Retrieved Ranked-choice voting (RCV) can refer to one of several ranked voting methods used in some

Inspired by the lack of strong female leads in children's animation at the time, Schooley and McCorkle conceived Kim as a teenage girl who can achieve anything, wanting their daughters to have their own childhood hero reminiscent of James Bond. To help the character appeal to both girls and boys, they decided to reverse traditional gender roles by making Kim a capable action hero and her male best friend, Ron Stoppable, her comedic sidekick, but humanized her by keeping her non-superpowered with challenges in her personal life. The character's design evolved during early development of the series, from resembling a video game heroine or bombshell... 78631b7c4e Wilma attempts to embrace her wish and find the old lady. Language of adoption Two of the contrasting sets of terms are commonly referred to as positive adoption language (PAL) (sometimes referred to as respectful adoption language (RAL)), and honest adoption language (HAL). respect and honor the individual choice. The controversy arises over the use of terms which, while designed to be more appealing or less offensive to some persons affected by adoption, may simultaneously cause offense or insult to others. This controversy illustrates the problems in adoption, as well as the fact that coining new words and phrases to describe ancient social practices will not necessarily alter the feelings and experiences of those affected by them. Inclusive adoption language is far more than an aesthetic matter of identity imagery that one embraces or rejects; The language of adoption is changing and evolving, and since the 1970s has been a controversial issue tied closely to adoption reform efforts 78631b7c4e

Internal combustion engine maker Rotax has been headquartered at GunsKirchen since 1947. 78631b7c4e Eger attended gymnasium and took ballet lessons. She was a member of the Hungarian Olympic gymnastics team. In 1942 the Hungarian government enacted new anti-Jewish laws and she was removed from the gymnastics team. Her elder sister Klara was a violin player and was admitted to the Conservatory of Budapest. During the war Klara was hidden by her music teacher. Her sister Magda was a pianist. 78631b7c4e The club was involved in the first major outlaw biker conflict in Canadian history, when it engaged the country's second largest club, the Popeyes, from 1974 to 1976. Satan's Choice's power began to diminish during the late 1970s, with some of the club's chapters "patching over" to the Outlaws in 1977. The remaining chapters would eventually become members of the Hells Angels, along with most of the other major outlaw clubs in Ontario, in 2000. In 2017 the club was reactivated briefly but quickly shut down. In 2025 the club was reactivated by Harley Davidson Guindon, son of former President Bernie Guindon. 78631b7c4e Lipstick feminism embraces the sensuality of womanhood and the belief that women have the right to act with passion and sexuality. In the wake of second and third-wave feminism, lipstick feminism reclaims feminine stereotypes often viewed as dis-empowering, like make-up and stilettos. 78631b7c4e

Axiom of choice A choice function (also called selector or selection) is a function In mathematics, the axiom of choice, abbreviated AC or AoC, is an axiom of set theory. Informally put, the axiom of choice says that given any collection of non-empty sets, one can identify another set containing one element chosen from each set, even if the collection is infinite. Formally, the axiom establishes existence rather than a construction; it states that for every set. While some varieties of constructive mathematics avoid the axiom of choice, others embrace it 78631b7c4e

Rational choice models are most closely associated with economics, where mathematical analysis of behavior is standard. However, they are widely used throughout the social sciences, and are commonly applied to cognitive science, criminology, political science, and sociology. 78631b7c4e == History == 78631b7c4e == Plot synopsis == 78631b7c4e

In the 1970s, as adoption search and support organizations developed, there were challenges to the language in common use at the time. The term "natural mother" had been in common use previously. The term "birth mother" was first used in 1956 by Nobel Prize winning author and adoptive mother Pearl S. Buck. As books like Adoption Triangle by Sorosky, Pannor and Baran were published, and support groups... 78631b7c4e The wish is granted to Wilma's surprise. She befriends a group of popular girls, along with a budding friendship with a boy named Jared. However, a loophole is revealed; Wilma's wish was granted exactly as she wished for it, so she is not popular to students outside of Claverford, or to students from other schools. Even worse, her wish will expire the day they graduate from the school. 78631b7c4e Following a trend of boycotting conventionally feminine items like bras, girdles, and make-up that emerged in second-wave feminism, lipstick feminism originated from third-wave feminism's tendency to celebrate "the trappings of femininity."
