It is generally accepted that the name "America" derives from the Italian explorer Amerigo Vespucci. The term dates back to 1507, when it appeared on a world map created by the German cartographer Martin Waldseemüller, in honor of Vespucci, applied to the land that is now Brazil. The full name "United States of America" was first used during the American Revolutionary War, though its precise origin is a matter of contention. The newly formed union was first known as the "United Colonies", and the earliest known usage of the modern full name dates from a January 2, 1776 letter written between two military officers... a29c290a0d
