In 1982, this University evolved from the fusion of four Universities of Applied Sciences in Bremen: the Universities for technology, business, social pedagogy and social economy, and nautics. The uniqueness of the Machon Tal is that it combines engineering and/or management studies with the study of Torah. It is also the only religious school in Israel to offer an academic degree in Nursing. The academic studies are offered at a university level, with full recognition from the Council for Higher Education in Israel. The students come from a broad range of religious backgrounds in Israel and the Diaspora. Due to the large number of olim, the Tal Institute also has a New Olim Department. The department assists the...
