User made changes that included softening the tone of the Council of Conservative Citizens and Lester Maddox, both of which are articles relating to American white supremacy. This user, in both cases, downplayed the nature of white supremacy in the purview of these articles (removing it entirely from the CofCC lead and portraying the view as coming from one organization), as seen with this diff from the CofCC. User's edits on Lester Maddox were reverted here by User:Symmachus Auxiliarius with the edit summary I'm sorry, but much of this appears to be subtle whitewashing of some aspects of the subject's bio; i.e., false balance and softening the language surrounding his pro-racial segregation stances, violation of the Civil Rights Act, and founding of the Council of Concerned Citizens. de8d5c16e2
