Grammatical aspect Not only does viewpoint aspect separate into negative In linguistics, aspect is a grammatical category that expresses how a verbal action, event, or state, extends over time. For instance, perfective aspect is used in referring to an event conceived as bounded and only once occurring, without reference to any flow of time during the event ("I helped him"). Imperfective aspect is used for situations conceived as existing continuously or habitually as time flows ("I was helping him"; "I used to help people"). represents an optimistic viewpoint while the choice of being half empty represents a pessimistic viewpoint 91e64c3393
