Five Nights at Freddy's (video game) Using the cameras and doors consumes the player's limited electricity, and draining all of the power causes these tools to become inoperable. The player controls Mike Schmidt, a night security guard at a family pizzeria. If the player fails to keep an animatronic out of the office, they will be jump scared and experience a game over. The player has access to security cameras to monitor the animatronics throughout the shift, and a set of steel doors that can lock out the characters. Schmidt must complete his shifts while avoiding the homicidal animatronic characters that wander the restaurant at night.
