A limited edition of the album comes in a hard clamshell case with a double-sided poster and five postcards, depicting the full-time members of the band. The drummer on this album (John Bennett from the Prophecy) is not included. This is the only album on which he appears. He replaced previous drummer Shaun Steels, who left the band after a repeated leg injury meant he could not drum full-time for fear of worsening his condition. This echoes how Rick Miah left the band in 1997 after falling ill with Crohn's disease. Bennett filled in for Steels for two years until his commitments to the Prophecy became too great to continue drumming for My Dying Bride. c0524e4138
