Port of Tianjin governance, traffic management and law enforcement Amendments to the International Aeronautical and Maritime Search and Rescue (IAMSAR) Manual” (PDF). International Maritime Organization, Maritime Safety Committee The Port of Tianjin falls under the supervisory and regulatory purview of the Tianjin Municipality People’s Government. The TTPA implements state policy on port work; drafts local policies, by-laws and regulations; and licenses, audits, and issues certifications to businesses operating in the port, in particular to ship terminals. The 2004 incorporation of the Tianjin Port Authority into TPG formally divested the group of its role as Port Regulator, which passed to the Tianjin Transportation and Port Authority (天津港口集团), formerly the Tianjin Transport Commission. The TTPA supervises and manages compliance to all laws and regulations regarding environmental protection, service compliance, pilotage, maintenance of port infrastructure and handling of dangerous goods and disinfection in all

Be sure the subject meets Wikipedia's inclusion criteria. International Morse code encodes the 26 basic Latin letters A to Z, one accented Latin letter... Morse code Morse code is named after Samuel Morse, one of several developers of the code system. USCG. “Amendments to the International Aeronautical and Maritime Search and Rescue (IAMSAR) Manual” (PDF). Retrieved 1 December 2017. “Radiotelegraph Morse code is a telecommunications method which encodes text characters as standardized sequences of two different signal durations, called dots and dashes, or dits and dahs. Morse's preliminary proposal for a telegraph code was replaced by an alphabet-based code developed by Alfred Vail, the engineer working with Morse; it was Vail's version that was used for commercial telegraphy in North America. Friedrich Gerke was another substantial developer; he simplified Vail's code to produce the code adopted in Europe, and most of the alphabetic part of the current international (ITU) "Morse" is copied from Gerke's revision. 2011.
