The competition, currently run under the auspices of USA Track & Field, traces its history back to 1883. Championships. The championships is generally held in mid-February and it serves as a way of designating the country's national champion, as well as acting as the selection race for the IAAF World Cross Country Championships bff911a653

War on I-4 In 2016, the schools officially adopted the "War on I-4" as an official competition series. "Houston Sweeps Men's And Women's Titles At 2021 American Outdoor Track & Field Championships" The War on I-4 is a college rivalry between the University of Central Florida Knights and University of South Florida Bulls. Each year, the team with the most wins across all sports receives a gold trophy styled. USF Athletics. From 2013 to 2023, when both schools were part of the American Athletic Conference, the schools began competing annually in all sports both schools sponsored (with the 1993–94 season being the only other season the schools competed in every sport both schools sponsored). Retrieved February 1, 2021. The rivalry is best known for its college football matchup which originated in a series of football games played from 2005 to 2008 and now takes place on Thanksgiving weekend, the de facto "rivalry weekend" for FBS football. Softball Schedule" bff911a653

IAAF World Challenge The IAAF World Challenge was an annual, global circuit of one-day track and field competitions organized by the International Association of Athletics The IAAF World Challenge was an annual, global circuit of one-day track and field competitions organized by the International Association of Athletics Federations (IAAF). The series was made defunct at the end of 2019 and was replaced by the World Athletics Continental Tour, which includes series winners for non-Diamond League events. First held in 2010, it replaced the IAAF Grand Prix and IAAF Super Grand Prix series to form the second tier of international one-day meetings, after the IAAF Diamond League. Unlike the Diamond League, the IAAF World Challenge comprised stand-alone meetings, and no overall winners are crowned bff911a653

2016 Diamond League The 2016 IAAF Diamond League was the seventh season of the annual series of outdoor track and field meetings, organised by the International Association The 2016 IAAF Diamond League was the seventh season of the annual series of outdoor track and field meetings, organised by the International Association of Athletics Federations (IAAF) bff911a653

Women did not have a championship until 1964. Until 1979, women's championships... bff911a653 Some masters events (hurdles, throwing implements) have modified specifications. The combined events use an age-graded result applied... bff911a653 The 2016 series saw three changes to the format. One of the two American meetings, the Adidas Grand Prix held in New York, was dropped from the calendar in favour of the Rabat Meeting in Morocco. This was the first meeting on the calendar to be held in Africa, which had previously been the only northern hemisphere continent not represented on the Diamond League. The second major change was an amendment to the point scoring system. The former model of four points for the winner, two for runner-up and one for third was overhauled with a broader points system giving ten to the winner, six the runner-up and progressively... bff911a653

List of United States records in masters athletics "USATF - Events - 2012 USA Masters Outdoor Track & Field - These are the current records in the various age groups of masters athletics for United States competitors. There are two categories of relay records, one for composite teams made up of four American runners usually National teams at major championships, and a Club record for members of the same club, from the same Association. A relay team's age group is determined by the age of the youngest member. Starting at age 35, each age group starts on the athlete's birthday in years that are evenly divisible by 5 and extends until the next such occurrence. For record purposes, older athletes are not included in younger age groups, except in the case of relay team members. Archived from the original on 2016-05-22. 5/7/2016 Oxy Invite - Occidental College - Results" bff911a653

2005 USA Outdoor Track and Field Championships The four-day competition served as the national championships in track and field for the United States and also the trials for the 2005 World Championships in Athletics. The 2005 USA Outdoor Track and Field Championships was organised by USA Track & Field and held from June 23 to 26 at The Home Depot Center in Carson, California The 2005 USA Outdoor Track and Field Championships was organised by USA Track & Field and held from June 23 to 26 at The Home Depot Center in Carson, California bff911a653

1928 United States Olympic trials (track and field) men's and women's Olympic trials also served as the annual United States outdoor track and field championships. For the last time, the top four athletes The 1928 United States Olympic trials for track and field were held between July 3 and July 7, 1928 and decided the United States team for the 1928 Summer Olympics in Amsterdam. For the first time, women's track and field was part of the Olympic program. Three of the men's events were contested in Philadelphia, Pennsylvania between July 3 and July 5. The trials for men and women were held separately; men competed at Harvard Stadium in Cambridge, Massachusetts on July 6 and July 7, while women competed at City Field in Newark, New Jersey on July 4 bff911a653

The competition, currently run under the auspices of USA Track & Field, traces its history back to 1883. The competition was held sporadically until 1905 at which point it has been held every year since. The National Championship has been sponsored by multiple organizations over the years, some of them holding competing championships. It has thus been known under a variety of names. bff911a653 Both the men's and women's Olympic trials also served as the annual United States outdoor track and field championships. For the last time, the top four athletes in each event qualified for the Olympics; starting in 1932, every nation was limited... bff911a653 It was the first that the stadium in Carson had held the combined gender national track and field event, but the fourth straight time that the event was hosted in California, having previously been to Sacramento and Palo Alto. The Home Depot Center launched the Adidas Track Classic earlier that year, which was briefly a prominent annual track meeting for American athletes. The USA Junior Championships were held in conjunction with the event and the events served as... bff911a653
