Romanian Communist Party Gloucester, Massachusetts: The Romanian Communist Party (Romanian: Partidul Comunist Român [par'tidul komu'nist ro'min]; PCR) was a communist party in Romania. Color Design Workbook: A Real World Guide to Using Color in Graphic Design. ideology. The successor to the pro-Bolshevik wing of the Socialist Party of Romania, it gave an ideological endorsement to a communist revolution that would replace the social system of the Kingdom of Romania. During the 1920s and the 1930s, most of its activists were imprisoned or took refuge in the Soviet Union, which led to the creation of competing factions that sometimes came into open conflict. That did not prevent the party from participating in the political life of the country through various front organizations. After being outlawed in 1924, the PCR remained a minor and illegal grouping for much of the interwar period and submitted to direct Comintern control. Homeschooling Some families who initially attended a school go through a deschooling process to decouple from school habits and prepare. The spectrum ranges from highly structured forms based on traditional school lessons to more open, free forms such as unschooling, which is a lesson- and curriculum-free implementation of homeschooling. Usually conducted by a parent, tutor, or online teacher, many homeschool families use less formal, more personalized and individualized methods of learning that are not always found in schools. the package may contain all of the needed books, materials, tests, answer keys, and extensive teacher guides. The actual practice of homeschooling varies considerably. However, many families use an eclectic Homeschooling or home schooling (American English), also known as home education or elective home education (EHE) (British English), is the education of school-aged children at

Prime number and the AKS primality test, which always produces the correct answer in polynomial time but is too slow to be practical. For example, 5 is prime because the only ways of writing it as a product, 1×5 or 5×1 , involve 5 itself. Primes are central in number theory because of the fundamental theorem of arithmetic: every natural number greater than 1 is either a prime itself or can be factorized as a product of primes that is unique up to their order. Particularly fast methods are A prime number (or a prime) is a natural number greater than 1 that is not a product of two smaller natural numbers. However, 4 is composite because it is a product (2×2) in which both numbers are smaller than 4. A natural number greater than 1 that is not prime is called a composite number

Some U.S. academic environments define leadership as "a process of social influence in which a person can enlist the aid and support of others in the accomplishment of a common and ethical task". In other words, leadership is an influential power-relationship in which the power of one party (the "leader") promotes movement/change in others (the "followers"). Some have challenged the more traditional managerial...

Partimento A partimento differs from a basso continuo accompaniment in that it is a basis for a complete composition. Partimenti were central to the training of European musicians from the late 1600s until the early 1800s. They were developed in the Italian conservatories, especially at the music conservatories of Naples, and later at the Paris Conservatory, which emulated the Neapolitan conservatories. The essential foundations of the key or rule of the scale steps tell the student how to distribute chords over scale degrees, separate A partimento (from the Italian: partimento, plural partimenti) is a sketch (often a bass line), written out on a single staff, whose main purpose is to be a guide for the improvisation ("realization") of a composition at the keyboard. aforementioned consonances
