

Vivere La Democrazia

An early critic of Silvio Berlusconi, Travaglio became one of the leading voices of anti-Berlusconism. Politically, he has described himself as a liberal, in the mold of Montanelli, and as being closer to the political right than the political left but that his criticism of Berlusconi found him asylum on the Left. He praised right-wing politicians, such as Ronald Reagan and Margaret Thatcher, and said he belongs to the liberal Right of Camillo Benso, Count of Cavour... In 1970 he obtained a diploma in social sciences at the Institut Catholique in Paris and in 1972 he obtained the specialization-diploma in sociology at the École pratique des hautes études at the Sorbonne University. He was a member of the international scientific committee of CESNUR.
