Crystal is a proponent of Internet linguistics and has also been involved in Shakespeare productions, providing guidance on original pronunciation. e15e47bc64

Culture of England English culture has had major influence across the world, and has had particularly large influence in the British Isles. As a result it can sometimes be difficult to differentiate English culture from the culture of the United Kingdom as a whole. Since England's creation by the Anglo-Saxons, important influences have included the Norman conquest, Catholicism, Protestantism, and immigration from the Commonwealth and elsewhere, as well as its position in Europe and the Anglosphere. Despite the country's relatively small size, there are many distinct regional accents, and individuals with particularly Key features of English culture include the language, traditions, and beliefs that are common in the country, among much else. considered the most prestigious accent in England e15e47bc64
