He baptised five Sikh people from different parts of India, with different social backgrounds, to form the Khalsa. Those five Beloved Ones, the Pañj Piārē, then baptised him into the Khalsa fold. This gives the order of Khalsa a history of around 500 years. Historical theory and analysis suggests that Sikhism came into existence during the early medieval period of the Bhakti movement and also after repeated invasions by Muslim rulers upon the Hindu community during Mughal rule, which lasted between (1526-1857 AD) especially in the region of North India. edee13e453
