Individuals with anorexia nervosa have a fear of gaining weight, despite the fact that they are typically underweight. The DSM-5 describes this perceptual symptom as "disturbance in the way in which one's body weight or shape is experienced". Recent research has shown that this disturbance is based not on visual body-size overestimation but rather on body dissatisfaction: individuals with anorexia can accurately visually identify their body size, but find severely underweight bodies the most attractive. Individuals with anorexia nervosa may also deny that their symptoms or behaviors are indicative of illness. They may weigh themselves frequently, eat small amounts, and only eat certain foods in order to be in as much control of their body appearance as possible. Some patients with anorexia nervosa binge eat and purge to further influence their weight or shape. Purging can manifest...

His father Ganbold was a painter who never realized the potential of his son as an artist. Munkkh's decision for becoming an artist was partially related with his father's ignorance. He obtained his education from Green Horse Mongolian Contemporary Art College, followed by Mongolian University of Fine Arts and Culture, Ulaanbaatar and later from Muthesius Fine Art College, Kiel, Germany. be0bf9484c Vegetarianism may be adopted for various reasons. Many people object to eating meat out of respect for sentient animal life. Such ethical motivations have been codified under various religious beliefs as well as animal rights advocacy. Other motivations for vegetarianism are health-related, political, environmental, cultural, aesthetic, economic, taste-related, or relate to other personal preferences. A healthy vegetarian dietary pattern is one of three healthy eating patterns recommended in the Dietary Guidelines for Americans, 2020–2025, alongside the Healthy U.S.-Style and Healthy Mediterranean-Style patterns. be0bf9484c == Publication history == be0bf9484c Filmed on location in and around New Orleans and at De Paolis Studios in Rome, in late 1980.
