which saw the two most populous countries becoming an
increasingly dominant economic force. The rapid catching-up of
emerging economies with developed countries sparked some
protectionist tensions during the period and was partly

responsible for an increase in energy and food prices at the end of the decade. The economic developments in the latter third of the decade were dominated by a worldwide... 8769cf28aa

official assignments refer to protocols that were never or are no
longer in common use. This article lists port numbers and their
associated protocols that have experienced significant uptake.
