List of automobiles known for negative reception Except they stripped Automobiles are subject to assessment from automotive journalists and related organizations. saying "Riding the cheap upgrade, big margin wave of the Navigator, Ford gave its F150 the same treatment, calling it the Blackwood. Some automobiles received predominantly negative reception. Different sources use a variety of criteria for including negative reception that includes the worst cars for the environment, meeting criteria that includes the worst crash test scores, the lowest projected reliability, and the lowest projected residual values, earning a "not acceptable" rating after thorough testing, determining if a car has performed to expectations using owner satisfaction surveys whether they "would definitely buy the same car again if given. There are no objective quantifiable standards, and cars on this list may have been judged by poor critical reception, poor customer reception, safety defects, and/or poor workmanship a77d3fd884
