

Professional Issues In Nursing Challenges And Opportunities

Emergency nursing In addition to addressing "true emergencies," emergency nurses increasingly care for people who are unwilling or unable to get primary medical care elsewhere and come to emergency departments for help. In fact, only a small percentage of emergency department (ED) patients have emergency conditions such as a stroke, heart attack or major trauma. Emergency nursing is a specialty within the field of professional nursing focusing on the care of patients who require prompt medical attention to avoid long-term disability or death. Emergency nursing is a specialty within the field of professional nursing focusing on the care of patients who require prompt medical attention to avoid long-term disability or death. Emergency nurses also tend to patients with acute alcohol and/or drug intoxication, psychiatric and behavioral problems and those who have been raped b2de1ca0ea

Some hospital-based nursing schools that once granted... b2de1ca0ea Psychiatric and mental health nurses treat individuals diagnosed with conditions like schizophrenia, post-traumatic stress disorder, bipolar disorder, and depression. They are also trained in behavioral therapy... b2de1ca0ea The nursing shortage is not necessarily due to the lack of trained nurses. In some cases, the scarcity occurs simultaneously with increased admission rates of students into... b2de1ca0ea Gerontological nursing is important to meet the health needs of an aging population. Due to longer life expectancy and declining fertility rates, the proportion of the population that is considered old is increasing. Between 2000 and 2050, the number of people in the world who are over age 60 is predicted increase from 605 million to 2 billion. The proportion... b2de1ca0ea Students enrolled in an Associate of Science in Nursing program would take a variety of nursing courses in medical and surgical nursing, labor and delivery, pediatrics, psychiatric nursing, emergency medicine, orthopedics, and many others.
