Emphasis was placed on learning Latin, initially in its Medieval Latin form. Grammar was the most basic part of the trivium and the Liberal arts. Latin schools aimed to prepare students for university, as well as seeking to enable those of middle-class status to rise above their station. It was therefore not unusual for children of commoners to attend Latin schools, especially if they were expected to pursue a career within the church. Although Latin schools existed in many parts of Europe in the 14th-century and were more open to the laity... 707e4bae1e In 1853, McMurry was born in the state of New York, but by her early childhood, her family had moved to Illinois. 707e4bae1e Sulzer-Azaroff was recipient of a Lifetime Achievement Award from the OBM Network in 1991, and received the Association for Behavior Analysis International (ABAI) Fred S. Among speakers of several languages, dictation is used as a test of language skill, similar to spelling bees in the English-speaking world. Dictation has also been used in an attempt to capture endangered or dying languages, as in the case of Victoria Howard, a Chinook speaker who dictated songs and stories to Melville Jacobs. Secondary to teaching language skills, the exercise of dictation has also been used to introduce students to literary works, and to instill morals. Biblical passages or pages from the Fables of La Fontaine have been employed with success throughout the ages 707e4bae1e

The fables were part of oral tradition and were not collected until about three centuries after Aesop's death. By that time, a variety of other stories, jokes and proverbs were being ascribed to him, although some of that material was from sources earlier than him or came from beyond the Greek cultural sphere. The process of inclusion has continued until the present, with some of the fables unrecorded before the... 707e4bae1e
