School Most countries have systems of formal education, which is sometimes compulsory. boards of schools in India, namely Central Board for Secondary Education (CBSE), Council for the Indian School Certificate Examinations (CISCE), Madrasa A school is the educational institution (and, in the case of in-person learning, the building) designed to provide learning environments for the teaching of students, usually under the direction of teachers. An institution where higher education is taught is commonly called a university college or university. The names for these schools vary by country (discussed in the Regional terms section below) but generally include primary school for young children and secondary school for teenagers who have completed primary education. In these systems, students progress through a series of schools that can be built and operated by both government and private organization 93a7e95303
