

The Complete Yes Minister

Yes, Prime Minister is based on the television series of the same name, and it plays like a text adventure. Playing as British prime minister Jim Hacker, the player starts out with a 50 percent approval rating and must work over a five-day period to improve the poll number. The player is aided by Hacker's secretaries, Humphrey Appleby and Bernard Woolley. The game is played through conversations between Hacker and other characters, such as Humphrey and Bernard, with the player continually selecting responses from a list of dialogue options. The outcome of the storyline can vary depending on the response that has been selected. Nevertheless, in Germany, it is common to refer to all sixteen heads of the states as minister-presidents when they are referred to collectively. For example, the regular meetings of the sixteen office-holders are called Conference of minister-presidents (Ministerpräsidentenkonferenz). In Hamburg, First Mayor (Erster Bürgermeister). The bank opened its first branch in August 2004. While his role is to support Hacker, Woolley’s innate honesty and belief in public duty frequently place him in awkward positions, as he struggles with the pressure to sometimes obfuscate or even manipulate information at the behest of both Hacker and Sir Humphrey Appleby, his boss. This makes Woolley the moral compass of the series, subtly highlighting the ethical challenges within government. His humour, typically delivered with dry wit and subtle irony, often serves to lighten tense moments and highlights the absurdities within the government’s bureaucracy. Born in Gorzów Wielkopolski, Marcinkiewicz graduated in 1984 from the Faculty of Mathematics, Physics and Chemistry (having studied physics) of the Wrocław University.
