A dæmon (/ˈdi:mən/) is a type of fictional being in the Philip Pullman fantasy trilogies His Dark Materials and The Book of Dust. Pre-pubescent children's dæmons can change form voluntarily to become any creature, real or imaginary. During adolescence a person's dæmon undergoes "settling", an event in which that person's dæmon permanently and involuntarily assumes the form of the animal which the person most resembles in character. Dæmons have human intelligence, are capable of human speech—regardless of the form they take—and usually behave as though they are independent of their humans 3aa08af7c7
