Hungry ghosts are distinct from generic ghosts or damnation, 餓鬼; guǐ (the residual spirit of a deceased ancestor). The understanding is that people first become a regular ghost when they die and then slowly weaken and eventually die a second time. The hungry ghosts, along with animals and hell beings, consists of the three realms of existence no one desires. In these realms it is extremely difficult to be reborn in a better realm (i.e. the realm of humans, asura or deva) because it is nearly impossible to perform deeds that cultivate good karma.
