Human rights in Namibia The assembly consisted Human rights in Namibia are currently recognised and protected by the Namibian constitution formed in 1990 by a 72-seat assembly. 21 March 1990 marks the first day Namibia operated under the Constitution and also marks the recognition of Namibia as an independent nation. After a draft, the constitution was agreed upon by all members of the seven political parties involved. Human rights in Namibia are currently recognised and protected by the Namibian constitution formed in 1990 by a 72-seat assembly. The assembly consisted of differing political parties. Chapter 3 of the constitution entitled Fundamental Human Rights and Freedoms, also referred to as the Bill of Rights, outlines the human rights of all Namibian citizens 09bb8beb4f

Elections in Vietnam... 09bb8beb4f This has long been a matter of controversy between the Government of Vietnam, led by its Communist Party (CPV), and other countries and political unions, such as the European Union (EU) and the United States. Under the current constitution, the CPV is the only legal political party: all other parties are outlawed, making Vietnam one of a few legally constituted one-party states, along with China, Cuba, Eritrea, Laos, and North Korea. 09bb8beb4f

Human rights and climate change The framework has been employed by governments, United Nations organizations, intergovernmental and non-

governmental organizations, human rights and environmental advocates, and academics to guide national and international policy on climate change under the United Nations Framework Convention on Climate Change (UNFCCC) and the core international human rights instruments. Human rights and climate change is a conceptual and legal framework under which international human rights and their relationship to global warming are studied, analyzed, and addressed. In 2022 Working Group II of the IPCC suggested that "climate justice comprises justice that links development and human rights to achieve a rights-based approach to addressing climate change"

The concept and practice of human rights within the Philippines is defined by Article III of the Philippine Constitution, as well as the United Nations' International Bill of Human Rights, to which the Philippines is a signatory.

National human rights institution Compliance with the Principles is the basis for accreditation at the UN, which, uniquely for NHRIs, is not conducted directly by a UN body but by a sub-committee of the Global Alliance of National Human Rights Institutions (GANHRI) called the Sub-Committee. The Office of the United Nations High Commissioner for Human Rights (OHCHR) aids these bodies, providing advisory and support services, and facilitates access to United Nations (UN) treaty bodies and other committees. national human rights institution (NHRI) is an independent state-based institution with the responsibility to protect and promote human rights in a country A national human rights institution (NHRI) is an independent state-based institution with the responsibility to protect and promote human rights in a country. There are over one hundred such institutions, about two-thirds assessed by peer review as compliant with the United Nations standards set out in the Paris Principles

Human rights defender They can be journalists A human rights defender or human rights activist is a person who, individually or with others, acts to promote or protect human rights. The international community and some national governments have attempted to respond to this. A human rights defender or human rights activist is a person who, individually or with others, acts to promote or protect human rights. As a result of their activities, human rights defenders (HRDs) are often subjected to reprisals including smears, surveillance, harassment, false charges, arbitrary detention, restrictions on the right to freedom of association, physical attack, and even murder. They can be journalists, environmentalists, whistleblowers, trade unionists, lawyers, teachers, housing

campaigners, participants in direct action, or just individuals acting alone. In 2020, at least 331 HRDs were murdered in 25 countries. They can defend rights as part of their jobs or in a voluntary capacity

A foundational text in the history of human and civil rights, the Declaration consists of 30 articles detailing an individual's "basic rights and fundamental freedoms" and affirming their universal character as inherent, inalienable, and applicable to all human beings. Adopted as a... The modern concept of human rights gained significant prominence after World War II, particularly in response to the atrocities of the Holocaust, leading to the adoption of the Universal Declaration of Human Rights...

Human rights in the Philippines peacefully and with dignity, safe from the abuse of any individuals or institutions, including the state. The concept and practice of human rights within the Philippines Human rights in the Philippines are protected by the Constitution of the Philippines, to make sure that people in the Philippines are able to live peacefully and with dignity, safe from the abuse of any individuals or institutions, including the state

Human impact on the environment Modifying the environment to fit the needs of society (as in the built environment) is causing severe effects including global warming, environmental degradation (such as ocean acidification), mass extinction and biodiversity loss, ecological crisis, and ecological collapse. Some human activities that cause damage (either directly or indirectly) to the environment on a global scale include population growth, neoliberal economic policies and rapid economic growth, overconsumption, overexploitation, pollution, and deforestation. Some of the problems, including global warming and biodiversity. Human impact on the environment (or anthropogenic environmental impact) refers to changes to biophysical environments and to ecosystems, biodiversity Human impact on the environment (or anthropogenic environmental impact) refers to changes to biophysical environments and to ecosystems, biodiversity, and natural resources caused directly or indirectly by humans

Human rights These rights are considered inherent and inalienable, meaning they belong to every individual simply by virtue of being human, regardless of characteristics like nationality, ethnicity, religion, or socio-economic status. They encompass a broad range of civil, political, economic, social, and cultural rights, such as the right to life, freedom of expression, protection against enslavement, and right to education. Human rights are universally recognized moral principles or norms that establish standards of human behavior and are often protected by both national and Human rights are universally recognized moral principles or

norms that establish standards of human behavior and are often protected by both national and international laws 09bb8beb4f

Human rights in Mongolia " Addressing an audience at the Asia Society in New York in 2011, Elbegdorj Tsakhia said: "Freedom, human rights, justice, the rule of law, those values can be. " Writing in 2012 in the Jakarta Post, the secretary-general of the Indonesian Community who "led the first demonstrations for democracy and reforms in Mongolia," stated that "the passion for freedom and human rights" is "palpable in his being. "Human rights law," according to one human-rights organization, "is a rapidly expanding area in the Mongolian Since its turn towards democracy in 1990, Mongolia has in principle acknowledged the concept of human and civic rights. "Human rights law," according to one human-rights organization, "is a rapidly expanding area in the Mongolian legal system. " In September 2000, Mongolia unilaterally adopted the so-called "Millennium Goal 9", which is "to strengthen human rights and foster democratic governance. acknowledged the concept of human and civic rights 09bb8beb4f

Human rights in Vietnam Human rights in Vietnam (Vietnamese: Nhân quyền tại Việt Nam) are among the poorest in the world, as considered by various domestic and international Human rights in Vietnam (Vietnamese: Nhân quyền tại Việt Nam) are among the poorest in the world, as considered by various domestic and international academics, dissidents and non-governmental organizations (NGOs) such as Amnesty International (AI), Human Rights Watch (HRW), and the United Nations High Commissioner for Human Rights (OHCHR) 09bb8beb4f
