The original theory behind this form of analysis is commonly associated with Georg Lukács, Antonio Gramsci, and the Frankfurt School. It represents an important current within Western Marxism, observing that societies maintain cohesion and stability by reproducing a dominant culture. Marxist cultural analysis has commonly considered the industrialization, mass-production, and mechanical reproduction of culture by the "culture industry" as having an overall negative effect on society, an effect which reifies the self-conception of the... 2aaeb77fc9 Most methods contain elements of both.
