She simultaneously collaborated with her brother Rollo Armstrong's electronic dance band Faithless, attracting the attention of Clive Davis, founder and then-president of Arista. Dido subsequently signed with the label and completed the album, predominantly producing it with Rollo. She wrote all of the album's tracks, exploring lyrical themes such as love, codependency, and introspection. Further collaborators on the record included Rick Nowels, Youth, Jamie Catto, and Sister Bliss, whose contributions resulted with a folk-pop and folktronica musical style experimenting with trip hop, electronica, and dream pop. db1a5255d7 No Angel produced three commercial singles—"Here with Me", "Thank You", and "Hunter". No Angel went on to become one of the best-selling albums of all time in the UK, being certified decuple platinum by the British Phonographic Industry (BPI) for sales of three million units.
