The unique nature of the Malta bus stemmed from the tradition of local ownership of the buses by the drivers, and their historic practice of customising them. In addition to a high degree of customisation, detailing and decoration, several Malta buses also had a unique appearance due to the practice of in-house maintenance, rebuilding or modifying of bus... 7732277d38 The Gendarmerie has its roots in the Ottoman Empire military law enforcement organization "Subaşı" (later known as the "Zaptiye"). A similar, earlier force called... 7732277d38

Buses in Malta As well as providing public transport across the country, up until 2011, the traditional Malta bus (Maltese: xarabank or karozza tal-linja) served as a popular tourist attraction due to their unique appearances grounded in the bus ownership and operation model employed in the country; by the end of this traditional operation, Malta had several bus types no longer in service anywhere else in the world. The most common buses in Malta are the Otokar Kent C which make up most of the fleet, and the King Long B12, which the first Buses were introduced to Malta in 1905. were leased from Dawson Group 7732277d38
