Some readers could have bound their collections, but the first eight-volume sets were published in 1910. Each section contained a variety of articles, developing topics as it progressed. The work could be used as a conventional reference library, as the last volume had an alphabetical index, or each section could be read from start to finish. It was originally organised into sections but there were changes in subsequent editions. Some titles covered scientific subjects such as geology, biology and astronomy but such scientific terms were generally avoided.

Iona and Peter Opie, pioneers of the academic study of children's culture, divided children's songs into two classes: those taught to children by adults, which when part of a traditional culture they saw as nursery rhymes, and those that children taught to each other, which formed part of the independent culture of childhood. A further use of the term children's song is for songs written for the entertainment or education of children, usually in the modern era. In practice none of these categories are entirely discrete, since... 0cafb24356 Each book in the Encyclopedia Brown mystery series is self-contained in that the reader is not required to have read earlier books in order to understand the stories. E. Compton and Company of Chicago. It was titled "Pictured" because no other encyclopedia at the time had as large or as diverse a collection of illustrations. The encyclopedia was

expanded to 10 volumes in 1924 and 15 in 1932. In 1940 the title was expanded to Compton's Pictured Encyclopedia and Fact Index to emphasize its "Fact-Index" feature which combined a general index with dictionary type entries and tables. The general editor from 1922 to 1961 was Guy Stanton Ford. He was succeeded by Charles Alfred Ford, and then Donald Lawson in 1964. In the early 1960s, F. E. Compton Co. was purchased by Encyclopædia Britannica, Inc. In 1968 the title was changed to simply Compton's Encyclopedia and expanded to 24 volumes. It expanded to 26 volumes in 1974. 0cafb24356
