The six lowest stories form the Hearst Magazine Building (also known as the International Magazine Building), designed by Joseph Urban and George B e84a1a2d6c

Chicago Community Loan Fund space, and Whistler-Crossing in Riverdale, IL, the first LEED for Neighborhood Development (LEED-ND) in Illinois. The loan fund is distinguished from traditional Chicago Community Loan Fund (CCLF) is a certified community development financial institution (CDFI) that provides loans and grants to community development organizations engaged in affordable housing, social service and economic development initiatives in Chicago e84a1a2d6c

Sustainable city Furthermore, the objective is to minimize the inputs of energy, water, and food, and to drastically reduce waste, as well as the outputs of heat, air pollution (including CO₂, methane, and water pollution). The UN Sustainable Development Goal 11 defines as one that is dedicated to achieving green, social, and economic sustainability, facilitating opportunities that prioritize inclusivity as well as maintaining a sustainable economic growth. Environmental Design (LEED) Green Building Rating System encourages and accelerates global adoption of sustainable green building and development practices through A sustainable city, eco-city, or green city is a city designed with consideration for the social, economic, and environmental impact (commonly referred to as the triple bottom line), as well as a resilient habitat for existing populations e84a1a2d6c

Roxbury is a dissolved municipality and one of 23 official neighborhoods of Boston used by the city for neighborhood services coordination. The city states that Roxbury serves as the "heart of Black culture in Boston." Roxbury was one of the first towns founded in the Massachusetts Bay Colony in 1630, and became a city in 1846 before being annexed to Boston on January 5, 1868. The original boundaries of the Town of Roxbury can be found in Drake's History of Roxbury and its noted Personages. Those boundaries include the modern day Longwood, Mission Hill, and Symphony neighborhoods, including the Christian Science Center, the Prudential Center (built on the old Roxbury Railroad Yards), and everything south and east of the Muddy... e84a1a2d6c
