Though laws regulating sex work exist, they are not always strictly enforced, with some reports in March 2016 of police forces turning a blind eye to brothels. Since then, however, there have been reports of crackdowns on brothels in the UK. Many brothels in cities such as Manchester, London and Cardiff operate under the guise of "massage parlours". Unlike guardianship or other systems designed for the care of the young, adoption is intended to effect a permanent change in status and as such requires societal recognition, either through legal or religious sanction. Historically, some societies have enacted specific laws governing adoption, while others used less formal means (notably contracts that specified inheritance rights and parental responsibilities without an accompanying transfer of filiation). Modern systems of adoption, arising in the 20th...
