Defensive driving It is a form of training for drivers that goes beyond road rules and the basic mechanics of driving techniques. Defensive Driving Courses, along with Instructor Defensive driving describes the practice of anticipating dangerous situations, despite adverse conditions or the mistakes of others when operating a motor vehicle. Defensive driving reduces the risk of collisions and improves road safety. It can be achieved by adhering to general guidelines, such as keeping a two- or three-second gap between the driver's vehicle and the vehicle in front to ensure adequate space to stop. Chris Imhoff of the (US) National Safety Council. The program instituted a Defensive Driving Course (DDC) 812a63fd77

The rule is not a guide to safe stopping distance, it is more a guide to reaction times. The two-second rule tells a defensive driver the minimum distance needed to reduce the risk of collision under ideal driving conditions. The allotted two-seconds is a safety buffer, to allow the following driver time to respond. The practice has been shown to considerably... 812a63fd77
