Having been private secretary of Pope Pius II, on the latter's death on 14 August 1464, Patrizi entered the service of the pope's nephew, Cardinal Francesco Todeschini Piccolomini and in 1471, he accompanied the cardinal in that capacity on a journey to Germany to attend the Imperial Diet at Ratisbon. Patrizi also served as a master of ceremonies in the papal chapel under Pope Paul II, resigning the post on 26 January 1484, subsequent to his appointment on 19 January as Bishop of Pienza and Bishop of

Montalcino by Pope Sixtus IV.

Bishop of... ==

History == This

institution was founded by Pope

Paul III on 21 July 1542, as the

Supreme Sacred Congregation of the Roman and Universal Inquisition. It was then renamed in 1908 as the Supreme Sacred Congregation of the Holy Office. In 1965, it became the Congregation for the Doctrine of the Faith (CDF; Latin: Congregatio pro Doctrina Fidei). Since 2022, it is named Dicastery for the Doctrine of the Faith. It is still informally known as the Holy Office (Latin: Sanctum Officium) in many Catholic countries. The sole objective of the dicastery is to "spread sound Catholic doctrine and defend those points of Christian tradition which seem in danger because of new and unacceptable doctrines."

On 14 March 1484, he was consecrated bishop by Constantin Eruli, Bishop of Spoleto, with Gabriele Maccafani, Bishop of Marsi, and Giovanni Battista Capranica, Bishop of Fermo, serving as co-consecrators. It was under his new title, Augustinus episcopus Pientinus et Ilcinensis. that he participated in the papal consistory of 20 December 1484,

and is also known to have participated in the canonization of Saint Leopold of Austria on 6 January 1485. Lithuania - Lietuvos Geležinkeliai (LTG) The archdiocese's mother church and the seat of its archbishop is the Cattedrale di SS. Massimo e Giorgio. L'Aquila also contains the Basilica of San Bernardino da Siena, which was granted the honorific title of minor basilica by Pope Pius XII, in an Apostolic Letter "Uberrimos Sane Gratiae" of 20 May 1946. It also contains the church of S. Maria di Collemagio, which was begun in 1283, and consecrated on 25 August 1288.

He came from a family of Sienese goldsmiths, with his brother (Pino) as well as his three sons (Montigiano, Mannaia, and Jacopo) working in the same trade. He was influenced by Pace di Valentino who was the first Sienese goldsmith working for the papal court (under popes Nicholas III,

Martin IV, Honorius IV, and Boniface VIII). In addition, he seems to have been familiar with northern European artworks, such as the Westminster retable in England and the miniatures in illuminated manuscripts of the Parisian Master Honoré, to which the human figures in his work are often compared. It is certain that he was actively working until 1322 though he was dead by 1329.

Dicastery for the Doctrine of the Faith Avvenire (in Italian) (Milan, IT: Avvenire Nuova Editoriale Italiana S. a.). Its seat is the Palace of the Holy Office in Rome, just outside Vatican City. It was founded to defend the Catholic Church from heresy and is the body responsible

for promulgating and defending Catholic doctrine. 13 March 2010
The Dicastery for the Doctrine of the Faith (DDF) is a department of the Roman Curia in charge of the religious discipline of the Catholic Church. The Dicastery is the oldest among the departments of the Roman Curia. from "Il «pm» vaticano: «Chiesa rigorosa sulla pedofilia»". p 5b3a0d0e56

The name Quarto Oggiaro derives from the ancient toponymy Quarto Uglerio: the word Quarto, meaning fourth, is a clear reference to the distance of four Roman miles from the center of Milan; while the second part of the name, Uglerio, is supposed to be the name of some influent inhabitant of the area in ancient times. The transformation from Uglerio to Oggiaro can be found on the city maps of 1872, but it can be already seen on some maps of the Spanish period.
