Ice released his debut album, *Hooked*, on the independent Ichiban Records before signing a contract with SBK Records, a record label of the EMI Group, which released a reformatted version under the title *To the Extreme*; it became the fastest-selling hip hop album of all time and "Ice Ice Baby" was the first hip hop single to top the Billboard Hot 100. Followed by the live album *Extremely Live* (1991), Ice made a cameo appearance on the film *Teenage Mutant Ninja Turtles II: The Secret of the Ooze* (1991) where he performed "Ninja Rap", which he co-wrote. He was soon offered and starred in his own film, *Cool as Ice* (1991), which included the single "Cool as Ice (Everybody Get Loose)" with Naomi Campbell; the film itself was a box office failure. f5500b0f7c

Ice Age (2002 film) Set during the days of the Pleistocene ice age, the film centers around an unlikely herd of three mammals—Manny, a no-nonsense woolly mammoth, Sid, a loudmouthed ground sloth, and Diego, a sardonic smilodon—who come across a human baby and work together to return it to its tribe. *Ice Age* was released in the United States on March 15, *Ice Age* is a 2002 American animated adventure comedy film directed by Chris Wedge and written by Michael Berg, Michael J. were brought on to lighten the tone. The inspiration for Finding Nemo sprang from multiple experiences, going back to Stanton's childhood, when he loved going to the dentist to see the fish tank, assuming that the fish were from the ocean and wanted to go home. To ensure that the movements of the fish in the film were believable, the animators took a crash course in fish biology and oceanography. Thomas Newman composed the score for the film. f5500b0f7c The

album's development was delayed because bass guitarist Cliff Williams sustained an injury and the band changed labels from Elektra Records to Sony Music. The first composing sessions between guitarists/brothers Angus and Malcolm Young were in London in 2003. Recording happened during March and April 2008 at The Warehouse Studio in Vancouver, British Columbia, Canada. O'Brien tried to recapture the rock sound of the band's early work, as opposed to the blues orientation of Stiff Upper Lip, with suggestions such as adding "soul crooning" to Brian Johnson's singing. The songs were mostly recorded live in the studio; engineer Mike... f5500b0f7c

Ice Age was originally conceived by Fox Animation Studios as a traditionally animated film, but became a full-length CGI film from Blue Sky, which had been transformed from a visual effects house to a computer animation studio. Focus shifted from making an action-adventure drama film to a more comedy-oriented one, and several writers, including Berg and Ackerman, were brought on to lighten the tone. David Newman composed and conducted the film's musical score. In November 1986, Ladret sustained two skull fractures as a result of an accident while the pair was practicing a lasso lift at a rink in Cambridge, Ontario. Ladret stated, "The ice was pretty rutty. I put the lift up, and my right foot got stuck in a rut and down we went. I pulled Tuffy forward as I was falling; my first thought was to make sure she was OK. My tailbone hit first, and my neck whiplashed back." He started wearing a hockey helmet in practice but stopped after five months, finding it cumbersome. That season, Hough/Ladret returned to the national podium, taking their second bronze medal, and were assigned to their first World...

== Synopsis ==
She got her first camera when she was 8. However, it wasn't until she took photography classes at what was then-Moorhead State and began working in the darkroom that she realized her passion. "I was hooked right away," she said. "I mean that was it: alchemy, the science, the magic. And I think I could have been a fine journalists had I never gone in to the art

department," she said. "And I think my eye and my sentiment would have been very much the same, but my brain was very much shaped in the art department." f5500b0f7c A Song of Ice and Fire depicts a violent world dominated by political realism. What little supernatural power exists is confined to the margins of the known world. Moral ambiguity pervades the books, and many of the storylines frequently raise questions concerning loyalty, pride, human sexuality, piety, and the morality of violence. The story unfolds through an alternating set of subjective points of view, the success or survival of any of which is never assured. Each chapter is told from a limited third-person perspective, drawn from a group of characters that expands from nine in the first novel to 31 by the fifth. f5500b0f7c
