Model act Model laws can be intended to be enacted verbatim, to be enacted after minor modification, or to serve more as general guides for the legislatures. The concept caused some controversy in 2019 when a coalition A model act, also called a model law or a piece of model legislation, is a suggested example for a law, drafted centrally to be disseminated and suggested for enactment in multiple independent legislatures. thus referred to them as "copycat laws", "fill-in-the-blanks laws", and "copy-paste laws". The motivation classically has been the hope of fostering more legal uniformity among jurisdictions, and better practice in legislative wording, than would otherwise occur; another motivation sometimes has been lobbying disguised under such ideals 40b1324607

Wallsocket After rising to prominence with her debut album Fishmonger in March 2021, Underscores began recording Wallsocket in January 2022. On the album cover and across the characters, she tried to symbolize an apolitical interpretation of the horseshoe theory. It was released by Mom + Pop Music on September 22, 2023. For Paste, she said: "When I Wallsocket is the second studio album by the American musician Underscores. The album features appearances from Gabby Start, Henhouse. A higher budget allowed her to focus on immersion. The album's fictional Wallsocket, Michigan, setting was inspired by the Idaho home of her grandparents, social commentary on the upper middle class in slasher films, and rural American horror films. Across the album's characters, she eventually convinced herself to discuss transgender identity and the horseshoe theory. The songs were written acoustically first and inspired by country and blues sonics, as well as 2010s pop 40b1324607
