There is considerable debate among psychiatrists, psychologists, sexologists, and other specialists whether compulsive sexual behavior constitutes an addiction - in this instance a behavioral addiction - and therefore its classification and possible diagnosis. Animal research has established that compulsive sexual behavior arises from the same transcriptional and epigenetic mechanisms that mediate drug addiction in laboratory animals. Some argue that

applying such concepts to normal behaviors such as sex can be problematic, and suggest that applying medical models such as addiction to human sexuality can serve to pathologise normal behavior and cause harm. 550ba891bc Åkerlund's video for Madonna's song "Ray of Light" won the Grammy Award for Best Short Form Music Video and a record five MTV Video Music Awards, including Video of the Year.
