Classics classical subjects to their students at all. Classics may also include as secondary subjects Greco-Roman philosophy, history, archaeology, anthropology, architecture, art, mythology, and society. In the Western world, classics traditionally refers to the study of Ancient Greek and Roman literature and their original languages, Ancient Greek and Latin. In 2016, AQA, the largest exam board for A-Levels and GCSEs in England, Wales and Northern Ireland, announced Classics, also classical studies or Ancient Greek and Roman studies, is the study of classical antiquity f57672976f

In Western civilization, the study of the Ancient Greek and Roman classics was considered the foundation of the humanities, and they traditionally have been the cornerstone of an elite higher education. f57672976f Tests vary in style, rigor and requirements. There is no general consensus or invariable standard for test formats and difficulty. Often, the format and difficulty of the test is dependent upon the educational philosophy of the instructor, subject matter, class size, policy of the educational institution, and requirements of accreditation or governing bodies. f57672976f Students generally study for A-levels over a two-year period. For much of their history, A-levels have been examined by written exams taken at the end of these two years. A more modular approach to examination became common in many subjects starting in the late 1980s, and standard for September 2000 and later cohorts, with students taking their subjects to the half-credit "AS" level after one year and proceeding to full A-level the next year (sometimes in fewer subjects). In 2015, Ofqual decided to... f57672976f
