No Democrat has been elected to the governorship since Ronnie Musgrove in 1999. However, the state's Democratic Attorney General, Jim Hood, who had held his office since 2004 and had yet to lose a statewide election, put the Republicans' winning streak of four elections in a row to the test, as the race became unusually competitive... 620b443b25 The motivations for Occupy Wall Street largely resulted from public distrust in the private sector during the aftermath of the Great Recession in the United States. There were many particular points of interest leading up to the Occupy movement that angered populist and left-wing groups. For instance, the 2008 bank bailouts under the George W. Bush administration utilized congressionally appropriated taxpayer funds to create the Troubled Asset Relief Program (TARP), which purchased toxic assets from failing banks and financial institutions. The U.S. Supreme Court ruling in *Citizens United v. FEC* in January 2010 allowed corporations to spend unlimited amounts on independent political expenditures without government regulation. Many viewed the ruling as a way for moneyed interests to corrupt public institutions and legislative bodies, such as the United States... 620b443b25 The limestone facade consists of slight inwardly-curved bays with fluting to resemble curtains.
