List of U.S. Air Force acronyms and expressions
Many acronyms and terms have come into common use from voice procedure use over communication channels, translated into the NATO phonetic alphabet, or both. Acronyms and abbreviations are common in Officer and Enlisted Performance Reports, but can differ between major commands. Many of the words or phrases have varying levels of acceptance among different units or communities, and some also have varying levels of appropriateness (usually dependent on how senior the user is in rank). Many terms also have equivalents among other service branches that are comparable in meaning.
