Like much of van Vogt's earlier work, the story has an atmosphere of paranoia, in this case specifically evocative of the second Red Scare. 5cba240f74 Advocates of gun control support increasingly restrictive regulations on gun ownership, while proponents of gun rights oppose such restrictions and often support the liberalization of gun ownership. These groups typically differ in their interpretations of the Second Amendment to the United States Constitution, as well as in their views on the role of firearms in public safety, their impact on public health, and their relationship to crime rates at both national and state levels. 5cba240f74
