Report on Potemkin for Putin. Potemkin is a link between today and the past. There is no direct connection

between Kievan Rus and Russia of the 17th and 18th centuries. Putin suddenly began to mention Potemkin - and with him Suvorov, Ushakov, who, in fact, served him. They took away the remains because this is how they represent a direct link between Russia and this territory. Recent news from Kherson. Why Kherson is important for Putin's perception of Novorossiia and Russian colonization. Potemkin founded Kherson as the first Russian city in 1778 on the conquered lands of Ukraine. Kherson got its name after the Greek city of Chersonesus and was supposed to become a kind of new capital. Potemkin was the largest minister, the largest politician, and statesman for the entire period of the Romanov dynasty. The concept, which was called the \"Greek project\": was the capture of Byzantium and Constantinople, the south of Russia, more precisely, the south of Ukraine, which was to be made Russian. The concept was very different from that of Putin's ultra-nationalist authoritarian Russia. The difference with Putin's vision: they were Russian imperialists, and they brought serfdom to Ukraine. But they were also much more humane. The leaders of modern Russia are the descendants of the Bolsheviks, who were remarkably ruthless. Can We Ever Return to Normalcy? The Two-State Solution Has Become A Religion Playback The Power of the Middle East in Western Imagination General Ad: Unpacking Israeli History Reports suggesting the Iranian leadership is split Simon's Background as a Historian The Real History Of Zionism How to get rid of the empire in Russian history. In historical science, one can observe a slow but sure, gradually increasing pace of development of the trend toward the decolonization of British history. Russia is a very special phenomenon. Russia as an empire was created by Peter I. And after him, the concept of self-consciousness in Russia has always been associated with the empire entrusted with the sacred mission of expanding into the outside world. It is quite difficult to overcome this obsession, and the idea continues to exist in modern Russia in the 21st century. Sometimes it takes total humiliation to change your mind. Perhaps Ukraine will become such an experience for Russia. The Russian Federation is the Russian Empire under a different name. As long as this state exists, there will be conflict between it and the new small states on its periphery until these states become strong enough. Putin is accelerating this process because Ukraine is going to become a truly powerful military state. Russia may collapse. cb7b8c6e8e Avi Shlaim on Netanyahu's war in Iran cb7b8c6e8e The Terror cb7b8c6e8e The difference between Stalin and Putin: Stalin really controlled the life and death of his inner circle. There is no actual evidence that Putin is eliminating members of his elite. But people are desperately trying to demonstrate loyalty, blaming themselves and others, the atmosphere of the search for enemies of the people, the search for traitors. Shoigu reminds me of Voroshilov. Who is Beria and who is Khrushchev. There are several Berias now: Zolotov, Naryshkin or Patrushev. Khrushchev can be, for example, Medvedev.
