

The Bamboo Stalk

The story is about a laborer who is exploited by a wealthy landowner. In order to keep and motivate the laborer, the landowner promises to reward him with marriage to his daughter after three years of labor. When the time for marriage arrives, the landowner breaks his promise by offering his daughter to another man. When the laborer complains, the landowner tries to trick him again by sending him in search of a bamboo stalk with one hundred segments, again promising him his daughter if the laborer can find the bamboo stalk. After divine intervention... 9218c01ea9 In 2010, Saud Alsanousi made his literary debut with *The Prisoner of Mirrors*, which won the Laila al-Othman Prize, an award recognizing promising emerging writers.
